

Commission on Improving *the* Status of Children in Indiana

Current Objective addressing cultural competence:

D2: Ensure cultural competence is demonstrated in the work of the CISC and its Task Forces

Proposed revised Objective:

Ensure cultural competence, equity, and inclusion are demonstrated in the work of the CISC and its Task Forces and Committees.

Charge for a Potential Working Group:

- Agree upon definitions of terms
- Research existing frameworks and tools for integrating an equity and cultural competence lens into public policy work
- Propose a framework and tools for the Commission and its Task Forces and Committees to use to ensure an equity and cultural competence lens is applied to each objective and all recommendations
